Do you guys keep coming every week until the leaves are finished? My township does 2 or 3 pick ups up in fall, depending on weather. I usually mow until the second week of November. And will probably be putting the bagger on the mower this week. Then after the second week of November, I start blowing piles for the town to pick up.

### **How to manage fall leaves | LawnSite**

I remember our local newspaper once produced a fine hanging clause: Leaves in autumn are a hazard for old people when they fall and make a brown sticky mess on the pavement. There was a journalist who didn't know a word for fallen leaves.

### **Fallen leaves during autumn (fall) | WordReference Forums**

Drying and curing are two different things. After a week or so drying yeah it will be smokable, but curing it in a jar will bring out the flavour even more. Anyway in response to the topic, unless it is a massive shedding of leaves then yes it is normal, the plant uses up energy from some of its sun leaves to help it through flowering.

Get this from a library! After the leaves fall. [Nicole Baart] -- Abandoned by her mother as a child, and then mourning the death of her father, Julia thinks college is the perfect place to start over. But when she makes a mistake that will change her life forever, ...

### **After the leaves fall (eBook, 2007) [WorldCat.org]**

In BrE, we use "autumn" not "fall" for the season and, in your sentence, we would not necessarily use the article (though there's nothing wrong with it). Leaves fall from the trees in autumn. Leaves fall from the trees in the autumn. If a tree is "in leaf" it means it currently has leaves on its branches.

### **In fall or in the fall - UsingEnglish.com**

After the leaves are off the tree and until early spring the wood is driest it will be in green format. Cutting wood in the fall and winter will dry much slower than cutting wood in spring and summers heat. So in fact wood cut at it's driest will take the longest to dry and wood cut at it's wettest will be the fastest to dry. Whood a figured

Upon further research, last year, first accumulation of snow was Dec.5. So I anticipate to start mid October and go till it snows. I have about 10 cleanups now and thats just people who are responsible. Obviously I will get more when the leaves really start to change. I anticipate getting hammered after the first snow fall and everything melts.
