Colin McPhee | Ein Haus in Bali

Colin McPhee, a Canadian-American composer who had much more influence on American music than the body of his music might indicate (see Colin McPhee: Composer in Two Worlds by Carol J. Oja), left behind two books that were as influential, if not more so, than his compositions: Music in Bali, published two years after his death, in 1966, a monumental work replete with musical illustrations and ...

Colin McPhee's A House in Bali | The Green Man Review

A House in Bali remains one of the most remarkable books ever written about the fabled island of Bali. This classic book tells the story of Balinese culture through a history of Balinese music. First published in 1947, it tells the story of the writer and composer Colin McPhee's (1900-64) obsession with a music once unknown to the West, and of his journey to Bali to experience it firsthand.
