How to Study the Bible in 3 Steps. Step 1: Observation. Observation is the first and most important step in how to study the Bible. As you read the Bible text, you need to look carefully at what is said, and how it is said. Look for: ● Terms, not words. Words can have many meanings, but terms are words used in a specific way in a specific context.

Inductive Study showed me how to study and pull out truths myself and not to rely upon what a teacher says or what a Bible writer writes concerning God's Word. No predefined answers to questions as designed in Sunday School, etc. will ever feel right to you again.

### **How to Study Your Bible by Kay Arthur - Goodreads**

A topical study is very different than a book study or a chapter study. The subject index of most Bibles have specific areas of study. Once you have found an interesting topic, you begin by doing a rough read through of the verses. This will give you a general oversight of what the verses have to say.
