Imprisonment as a form of criminal punishment only became widespread in the United States just before the American Revolution, though penal incarceration efforts had been ongoing in England since as early as the 1500s, and prisons in the form of dungeons and various detention facilities had existed since long before then. Prison building efforts in the United States came in three major waves.

In ordinary language, a crime is an unlawful act punishable by a state or other authority. The term "crime" does not, in modern criminal law, have any simple and universally accepted definition, though statutory definitions have been provided for certain purposes. The most popular view is that crime is a category created by law; in other words, something is a crime if declared as such by the ...
