Guidelines for Writing the DBQ/Free Response. Adapted from guidelines for the AP History Teacher. Begin by reading the question only. Make sure you understand what is being asked of you as a writer. You should do this by clearly identifying the time period and by breaking down the question into recognizable parts.

### **This document is used in the Pre-AP/AP classroom**

Biogenesis. Some mechanisms have been recognized with respect to the progression of exosomes formation, but much remains to be understood. First, endocytic vesicles arise in lipid raft domains of the plasma membrane through endocytosis, leading to the intracellular formation of early endosomes.
