Inside the Box: A Proven System of Creativity for ...

The creative method that works for everyone. For thousands of years, innovators have used five simple patterns in their inventions, usually without knowing it. These patterns are now embedded into the products and services you see around you today. Think of them as the DNA of a product or service.

Inside The Box | A Proven System of Creativity for ...

Then think Inside the Box. The traditional view says that creativity is unstructured and doesn't follow rules or patterns. That you need to think "outside the box" to be truly original and innovative. This counterintuitive and powerfully effective approach to creativity demonstrates how every corporation and organization can develop an innovative culture.
