This is a wonderful, shocking, compelling book. I have read many legal thrillers, including those by John Grisham (who endorses this book) but it is one thing to read about injustice, legal corruption and police incompetence in a fictional setting, and quite another to see it ruthlessly, thoroughly exposed, in a real case which has led to the British defendant, Kris Maharaj, spending 26 years ...

The reproductive injustice of African-American mothers is the consequence of the social and economic forces of institutional racism, and healthcare institutions that limit the access to and quality of healthcare in vulnerable communities. The U.S.'s history of slavery and segregation has embedded systemic inequality into its institutions.

Injustice: Life and Death in the Courtrooms of America by Clive Stafford Smith - review. British justice might seem equally imperfect and biased in favour of the wealthiest defendants, but without the barbarity of the death penalty. Stafford Smith has dedicated his life to defending prisoners on death row, and he writes with authority and passion,...
