Most men live lives of quiet desperation. The aphorism is a paraphrase of what Henry David Thoreau famously wrote in Walden (the actual quote begins "The mass of men live lives..."). Anyone with even a pretty cursory understanding of Thoreau's life and philosophy knows that such a hedonistic, materialistic, jet-setting lifestyle isn't exactly what he had in mind with that line.

How to REALLY Avoid Living a Life of Quiet Desperation ...

The mass of men lead lives of quiet desperation. This sentence, which appears in the first chapter,

"Economy," is perhaps the most famous quotation from Walden. It sums up the prophetic side of Thoreau that many people forget about; he was not just an experimenter living in isolation on Walden Pond, but also a deeply social and morally ...

SparkNotes: Walden: Important Quotations Explained

We lead lives of quiet desperation when we resign ourselves to dissatisfaction. Quiet desperation is acceptance of—and surrendering to—circumstances. Quietly desperate lives are frustrated, passive, and apathetic. They're unfulfilled and unrealized. Pay attention to the following signs of a quietly desperate life.

Are You Leading a Life of Quiet Desperation?

"The mass of men lead lives of quiet desperation. What is called resignation is confirmed desperation. From the desperate city you go into the desperate country, and have to console yourself with the bravery of minks and muskrats. A stereotyped but unconscious despair is concealed even under what are called the games and amusements of mankind.
