Industrial Organization: Contemporary Theory and Empirical ...

In the past two decades there has been an explosion of interest and intellectual activity in industrial organization. Industrial organization was irreversibly transformed and rejuvenated by breakthroughs in noncooperative game theory and, in turn, developments in industrial organization informed and reinvigorated antitrust enforcement.

Industrial Organization: A Strategic Approach

In economics, industrial organization or industrial economy is a field that builds on the theory of the firm by examining the structure of (and, therefore, the boundaries between) firms and markets. Industrial organization adds real-world complications to the perfectly competitive model, complications such as transaction costs, limited information, and barriers to entry of new firms that may be ...
