American Government Workbook Grade 12

For example, they put in material on comparative government systems that those of us who teach American politics don't need. The section on Congress is quite thin, and they've added fluff on state and local government that is useless to me. I've only got a few years till retirement, but obviously I need to find a new book to use!

Resources for 12th Grade | BJU Press

I am really disappointed in this workbook. My fifth grade son used it for a couple of weeks, but the worksheets ask questions about material that is never presented in the book. It may be a good supplement for someone who is already studying U.S. Government, but it is definitely not a good teaching book.
