by William Steig, published 1976 "The cave was full of chattering animals who'd been lucky enough to find this haven. There were several mice that Abel and Amanda knew, and a family of toads they had once met at a carnival." I stumbled upon this children's book in my library, and eagerly took it home, since I loved Steig's other book for young readers called Dominic.

Abel's Island - Children's book by William Steig

Early in August of 1907 newlywed mice Abel and Amanda are enjoying a genteel picnic when "it" is so inconsiderate as to storm. Abel, who leaves their shelter to retrieve his wife's blown-away scarf, doesn't return for a year, as he is swept off to an uninhabited island where, for the first time in his life, survival requires hard work and straggle.
