Contract law. In the law of contracts, an act of God may be interpreted as an implied defense under the rule of impossibility or impracticability. If so, the promise is discharged because of unforeseen occurrences, which were unavoidable and would result in insurmountable delay, expense, or other material breach. Under the English common law, contractual obligations were deemed sacrosanct, so ...

The major thing that is wrong with the world today, is that we have not awoken to the truth as to who "we the people" really are. Through dumbing down by complicit media, lawyers and courts, the non-education system, paid for politicians, and generations of ignorance of the Constitution... the people are effectively deprived of knowing anything useful about the "for profit" commercial ...
