#### A Love Story Starring My

A Love Story Starring My Dead Best Friend Has a very interesting structure. There are two storylines going on at the same time, both with the same main character. One takes place in the recent past, right after the main character's best friend died. The other is a little while later in the present.

review 1: Wow. What a fantastic book. It was an incredibly quick read, but I could feel all of Cass' confusion and grief as if it were my own. At first I was worried that switching between the past and present with each chapter would be distracting, but it was just what I needed to prolong what felt like too short of a story.
