A coven /  $k \wedge v \ni n$  / usually refers to a group or gathering of witches. The word "coven" (from Anglo-Norman covent, cuvent, from Old French covent, from Latin conventum = convention) remained largely unused in English until 1921 when Margaret Murray promoted the idea, that all witches across Europe met in groups of thirteen which they called "covens". Overview. Witch magic is very different from the wizard magic taught in the Unseen University, and consists largely of finding the right lever that makes everything else work. Witches rarely do any magic, in fact, relying more on common sense, hard work, and a peculiar brand of psychology known as headology. This can be taken very far—a witch's way of magically setting fire to a log of wood ...
