#### A Mate For The Beta

There are many betta fish tank mates or companions that can live with male or female bettas under the right conditions. This is known as a community tank and can house more than two kinds of species. Throughout history, the betta fish or Japanese fighting fish was continuously bred for its territorial aggression.

Community Reviews. A Mate for the Beta is a charming and light story about a witch and a werewolf finding their true mate in each other while also trying to solve a crime involving a missing witch. It was a quick and enjoyable read which has everything you would expect a shifter/supernatural story to have.
