Transcription Solution Login Whether you are a healthcare provider or lawyer, medical transcription or legal transcription company, you need user ID and password in order to view your data.

## **National Billing Center - Advanced Modern Solutions**

If you wish to preserve your old data, you should transfer it to modern media. Magnetic media like floppy disks and tapes have a lifetime of only two or three decades. We are encountering media written during the 1980's that are no longer readable - they've lost their magnetization due to age. Don't let this happen to your data - it could vanish for ever!
