Identify the choice that best completes the statement or answers the question. of written test questions. dimensions covered in the multiple-choice test: 1. Need help with the AP Calculus? Multiple-choice questions may

2003 Ap Calculus Bc Multiple Choice Questions And Answers

Best Answer: I sure can. For part c, they're asking for the equation of a line tangent to the graph f at the point x = 0 But, we're not given f. We're given the derivative of f, which makes things a lot easier for us. f'(x) = slope of f at the point x So, looking at the f' graph, we see that the slope is -2 ...
