I was immediately drawn into the story, and couldn't put it down. Shortly after finishing A Long Long Sleep, I knew I had to get my hands on the next book No Life But This. The story centres around Rosalinda, known as Rose, who is a 16 year old girl who has just been woken up from a 62 year stasis sleep. The world has changed around Rose.

A Long Long Sleep (Unicorp #1) | Chrissi Reads

A Long, Long Sleep (UniCorp #1) Rosalinda had been asleep for 62 years when she was woken by a kiss. Locked away in slumber, the 16-year-old Rose slept straight through dark times that killed millions and utterly changed the world. Hailed upon her awakening as the long-lost heir to an interplanetary empire, she is thrust alone into a dangerous future.

A Long, Long Sleep (UniCorp #1) Anna Sheehan. Rate: 3. For most of the story, I was a little confused about the point of the story and where it was going, but by the end I realized that was the point of the book. The book follows Rose's readjustment to society after being "asleep" for sixty-two (62) years.

A Long Long Sleep is far more subtle then that, and it's really more of a slow burning character study than anything else. And I loved it! I loved how when we first meet her it's so easy to dismiss Rosalinda as weak; the spoiled, soft product of loving but overbearing parents.

Thread.Sleep(1) as stated will not hog the CPU. Here is what happens when a thread sleeps (more or less): Thread.Sleep is translated into a system call, which in turn triggers a trap (an interruption that allows the operating system to take control) The operating system detects the call to sleep and marks your thread as blocked.

Long Sleeper - Overview. Their nightly length of sleep tends to be 10 to 12 hours. This sleep is very normal and of a good quality. It is simply much longer than most people need. A long sleeper's main complaint is that there is not enough time during the day to be awake. The disorder begins in childhood.

Long Sleeper - Overview - Sleep Education

A Long, Long Sleep is about a girl named Rose who pretty much spent her life going to hell and back, over and over and over again. Her overbearing parents repeatedly put her into a coma-like state through a process called stasis, in which she lost huge chunks of her life.
